## **DETAILED ACTION**

### **Requirement for Information**

1. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

(1) A copy of any non-patent literature, published application, or patent (U.S. or foreign), by any of the inventors, or information that was used in the invention process, such as by designing around or providing a solution to accomplish an invention result. In response to this requirement, please provide the title, citation and copy of each publication that any of the applicants relied upon to develop the disclosed subject matter that describes the applicant's invention, particularly as to developing the features of: receiving a plurality of investment strategies from a plurality of investment advisors, each of the investment strategies being updated periodically and including a plurality of trade recommendations, wherein each of the trade recommendations specifies a financial instrument and terms necessary for trading the financial instrument in a respective financial market; allowing an investor to subscribe to the investment strategies; applying investor-defined management weights to the investment strategies to generate a weighted portfolio of trade recommendations the management weights defining the percentage of investor portfolio funds available for investing in the subscribed investment strategies; delivering the weighted portfolio of trade recommendations to the investor over the computer network during a trade recommendation distribution period; allowing the investor to accept, reject, or modify each of the trade recommendations of the weighted portfolio of trade recommendations to produce a sequence of customized trade recommendations; and

Art Unit: 3624

permitting the investor to enter one or more investor trade recommendations based on an investor-defined strategy. For each publication, please provide a concise explanation of the reliance placed on that publication in the development of the disclosed subject matter.

(2) A working prototype of the invention that can be tested by the examiner. Is the invention currently available commercially? In response to this requirement, please provide the names of any products or services that have incorporated the claimed subject matter.

(3) The trade names and providers of any products or services in competition with the invention.

(4) Identification of the true assignees of the current invention.

2. In responding to those requirements that require copies of documents, where the document is a bound text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in applicant's disclosure.

The fee and certification requirements of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of the requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97 where appropriate.

Art Unit: 3624

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dr. Narayanswamy Subramanian whose telephone number is (571) 272-6751. The examiner can normally be reached Monday-Thursday from 8:30 AM to 7:00 PM.
